

OASIS Insight: Improving inventory management

Are you looking to reduce inventory and improve efficiency? Gexpro's *OASIS Insight* Software can help by providing you an inventory management, tracking and ordering system. We can reduce your inventory costs and streamline replenishment. You'll always have the products you need when and where you need them – nothing more, nothing less. Proven results save time and money, while reducing waste.

You hold success in the palm of your hand.

OASIS Insight uses a hand-held scanner, bar coding and proven technology to make you a smarter buyer. As products are removed from inventory, a quick scan of the product's bar code tracks every transaction. By integrating with Gexpro over

the internet, we can automatically replenish inventory to predetermined levels at each location. Simply scan and it's done.

Customized savings at construction sites, production lines and stockrooms.

Every part you buy offers an opportunity to be more productive. That's why you should implement *OASIS Insight* anywhere you carry significant product inventory – cribs, service trucks, job site trailers, etc. We can customize *OASIS Insight* to your business and even manage items you buy elsewhere.

OASIS Insight delivers a competitive advantage.

- Lowers purchasing costs
- Minimizes overages and obsolescence
- Boosts process efficiency
- Multiple approval levels strengthen inventory control & visibility
- Enables purchasing to track inventory across multiple locations
- Ability to requisition material for future use

The information advantage.

With *OASIS Insight* you can monitor inventory, access project material costs and manage usage at any time. *OASIS Insight's* up-to-date information and powerful reporting capabilities help you make better decisions, spot potential problems and create opportunities.

Fast and painless installation and training.

OASIS Insight is browser-based which simplifies setup. The software is fast and easy to learn, Gexpro can have you trained and saving in just a few days.

Gexpro commitment.

The 1,500 professionals throughout Gexpro's global operations are committed to building on its industry leadership in innovation and customer support.
